

PEROXiwash™

Powered by

Peroxiwash™ Animal Shampoo harnesses the power of Accelerated Hydrogen Peroxide® (AHP®) to provide a powerful and deep clean by removing dirt, grime, and odors.

Virox Animal Health is a proud sponsor of Fear Free™

Concentrated Animal Shampoo

SAVE MONEY

Concentrated formula means more animals groomed from each bottle.

ODOR ELIMINATOR

Eliminates odors – such as skunk – not just masks them.

DEEP CLEANING

Superior cleansing results in a sleek, shiny coat and fresh skin.

5 Great Reasons to Switch to

PEROXiwash™
Animal Shampoo

EARTH FRIENDLY

Created with biodegradable ingredients to reduce environmental impact.

PET SAFE

No harsh chemicals that may cause nose blindness – Fear Free™ Approved!

PEROXIwash™ Animal Shampoo

Peroxiwash™ Concentrated Shampoo has been formulated **without** the use of harsh chemicals, including fragrances, dyes, parabens or lathering agents such as sodium lauryl sulfates. Peroxiwash™ **does not** leave behind residues and is easy to use in just 4 simple steps for a shinier, cleaner coat and fresher skin!

How to Use**

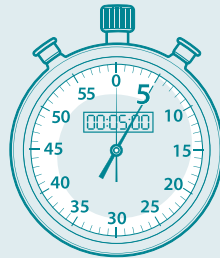

1 MIX

- Peroxiwash™ is a concentrated shampoo to be diluted with water before using.
 - Dilute 1:16 for heavily soiled animals
 - Dilute 1:32 for general shampooing
- Diluted product can be stored for up to 30 days.

2 APPLY

- Thoroughly soak down to the skin and allow to stay wet for a minimum of 5 minutes.

3 WASH

- Gently massage to loosen soils and debris.

4 RINSE

- Thoroughly rinse with water, and hand dry with a towel.
- Re-apply daily or as desired for a cleaner, healthier looking coat.

** Follow product label directions for use

Peroxiwash™ Animal Shampoo is Deliberately Different™

Accelerated Hydrogen Peroxide® (AHP®) is a trusted technology for humans, animals and the planet and has been validated with peer reviewed studies.
